> Reference File # 2361.01 Rule Certification

Dear Ms. Webb:

Pursuant to Commission Rule 40.6, the Chicago Board of Trade (CBOT®) hereby submits the following:

- The CBOT intends to extend, through March 31, 2004, the temporary trading privileges in 30 Day Fed Fund Futures Options which previously were granted to holders of IDEM Membership Interest status.

This program temporarily expands the privileges of individuals in the IDEM category. This category ordinarily does not include membership status with respect to option contracts.

The CBOT intends to implement this program extension as of October 1, 2003. The program otherwise would expire as of September 30, 2003.

There were no opposing views among the CBOT's Board of Directors concerning this program extension.

The CBOT certifies that this program extension complies with the Commodity Exchange Act and the rules thereunder.

Sincerely,

Paul J. Draths Vice President and Secretary
